The purpose of today's Corridor-wide Meeting is to provide a status update on the Business 40 Improvement Project. North Carolina Department of Transportation (NCDOT) is presenting information on the ideas to reconfigure and design the interchanges, bridges, and roadways on Business 40.

The project team is here to give an update, answer questions, hear your thoughts and/or concerns regarding this information, and provide information on how to stay involved with the project.

Please take a few minutes to share your thoughts about topics discussed at today's meeting. Please complete this comment sheet and return it today to the comment table.

1. What comments do you have regarding the overall improvements planned for Business 40?

2. What comments do you have regarding the various ideas presented for the Peter's Creek Parkway area?
